PROFESSIONAL SUMMARY

Versatile IT Professional and All-Around Virtual Assistant with 7+ years of remote experience supporting administrative operations, digital content management, technical troubleshooting, and data reporting. Experienced in managing online listings, monitoring content performance, resolving platform issues, and maintaining organized documentation across multiple systems. Skilled in social media management, graphics design, video animation, Amazon KDP book cover design, screenplay formatting, and AI-assisted creative production. Proficient in Microsoft 365 Tools including Excel formulas, workflow automation using Power BI and Google Workspace, cloud tools, and IT process automation. Recognized for strong attention to detail, adaptability, and the ability to efficiently handle multiple virtual tasks in fast-paced remote environments.

Experience

Multiplatform Front-End Development (React) Feb 2025 - Feb 2026 Accenture Philippines Inc.

- Built scalable web applications for mobile and desktop using React.js and Next.js.
- Transformed Figma/Adobe XD designs into responsive UI using Tailwind CSS.
- Managed application state with Redux Toolkit and integrated RESTful APIs.
- Optimized performance via code-splitting, lazy loading, and Lighthouse audits.
- Maintained cross-browser and cross-platform consistency using Vite.
- Managed source code and peer reviews through Git/GitHub.
- Collaborated in Agile/Scrum workflows to meet sprint milestones.

Administrative Assistant II Aug 2023 - Jan 2025 Department of Social Welfare and Development FO VII

- Public Assistance and Complaints Desk (PACD), DSWD
- Provide administrative and clerical support for office operations
- Manage and maintain databases ensuring data accuracy and integrity
- Prepare reports, documentation, and operational records
- Deliver technical troubleshooting and IT assistance when required
- Monitored medical records of cancer and dialysis patients and coordinated inter-agency assistance and transportation for scheduled treatments.
- Deliver technical troubleshooting and IT assistance when required

Virtual Assistant / Social Media Marketing Oct 2019 - Dec 2024 Mitten Mde Properties Real Estate Team

- Managed and maintained multi-platform social media accounts (LinkedIn, Facebook, Instagram, Twitter/X), improving content consistency and audience engagement
- Produced and presented weekly performance and progress reports to support team planning and decision-making
- Prepared operational documents, tracking files, and digital records for internal reporting and virtual team meetings
- Maintained Excel and Google Sheets databases with accurate formulas, structured data tracking, and organized reporting workflows
- Monitored listings, engagement metrics, and inquiries, contributing to improved lead response and online visibility
- Supported international remote team operations through administrative coordination, marketing assistance, and task management
- Streamlined reporting processes and reduced data errors through spreadsheet automation and structured documentation practices
